

Our Identity in Christ That Changes Everything

Ephesians 3:1-13

God's Power in the Life of Paul

- 1) **Be Outspoken:** God is still powerfully using small people to explain His big plan to the world.

- 2) **Be Color-Blind:** God is still powerfully using converted Sauls to display His generosity to the nations.

- 3) **Be Shiny:** God is still powerfully using His church to show His wisdom.

- 4) **Be Boastful:** God is still powerfully using unworthy people to proclaim His trustworthiness.
