

Philippians 2:19-24

Picture of a True Second

1) Sympathetic Second: We become useful tools for God when we deeply care for God's family

2) Spiritual Second: We become useful tools for God when we maintain a reputation of godliness

3) Submissive Second: We become useful tools for God when we yield ourselves to God's direction through our godly leaders

4) Stretched Second: We become useful tools for God when we serve beyond our capacity and fears

5) Satisfied Second: We become useful tools for God when we are satisfied to serve without recognition
