

Training Part 11

Spiritual Gifts Defined

The Gift of Exhortation

Supernatural ability to come alongside a brother, give hope and persuasively direct them on the path of obedience, progress & joy.

Help them to get on God's path, stay on God's path,
or move forward on God's path.

The Exhortational Shift:

Exhortation is shifting from understanding to application

Exhortation is shifting from the profound to the personal

Exhortation is persuading one another to let divine truths
dominate and dictate our emotions and actions

The Exhorter's Mindset:

Presupposition: Their life and choices have meaning

Profound: They are part of a bigger picture

Personal: They are an important piece of the puzzle

The Dangers: Temptation, Apathy and Difficulties

The Tool: God's profound yet personal Word
